

Separate Marketplace of
the Vipservice Holding

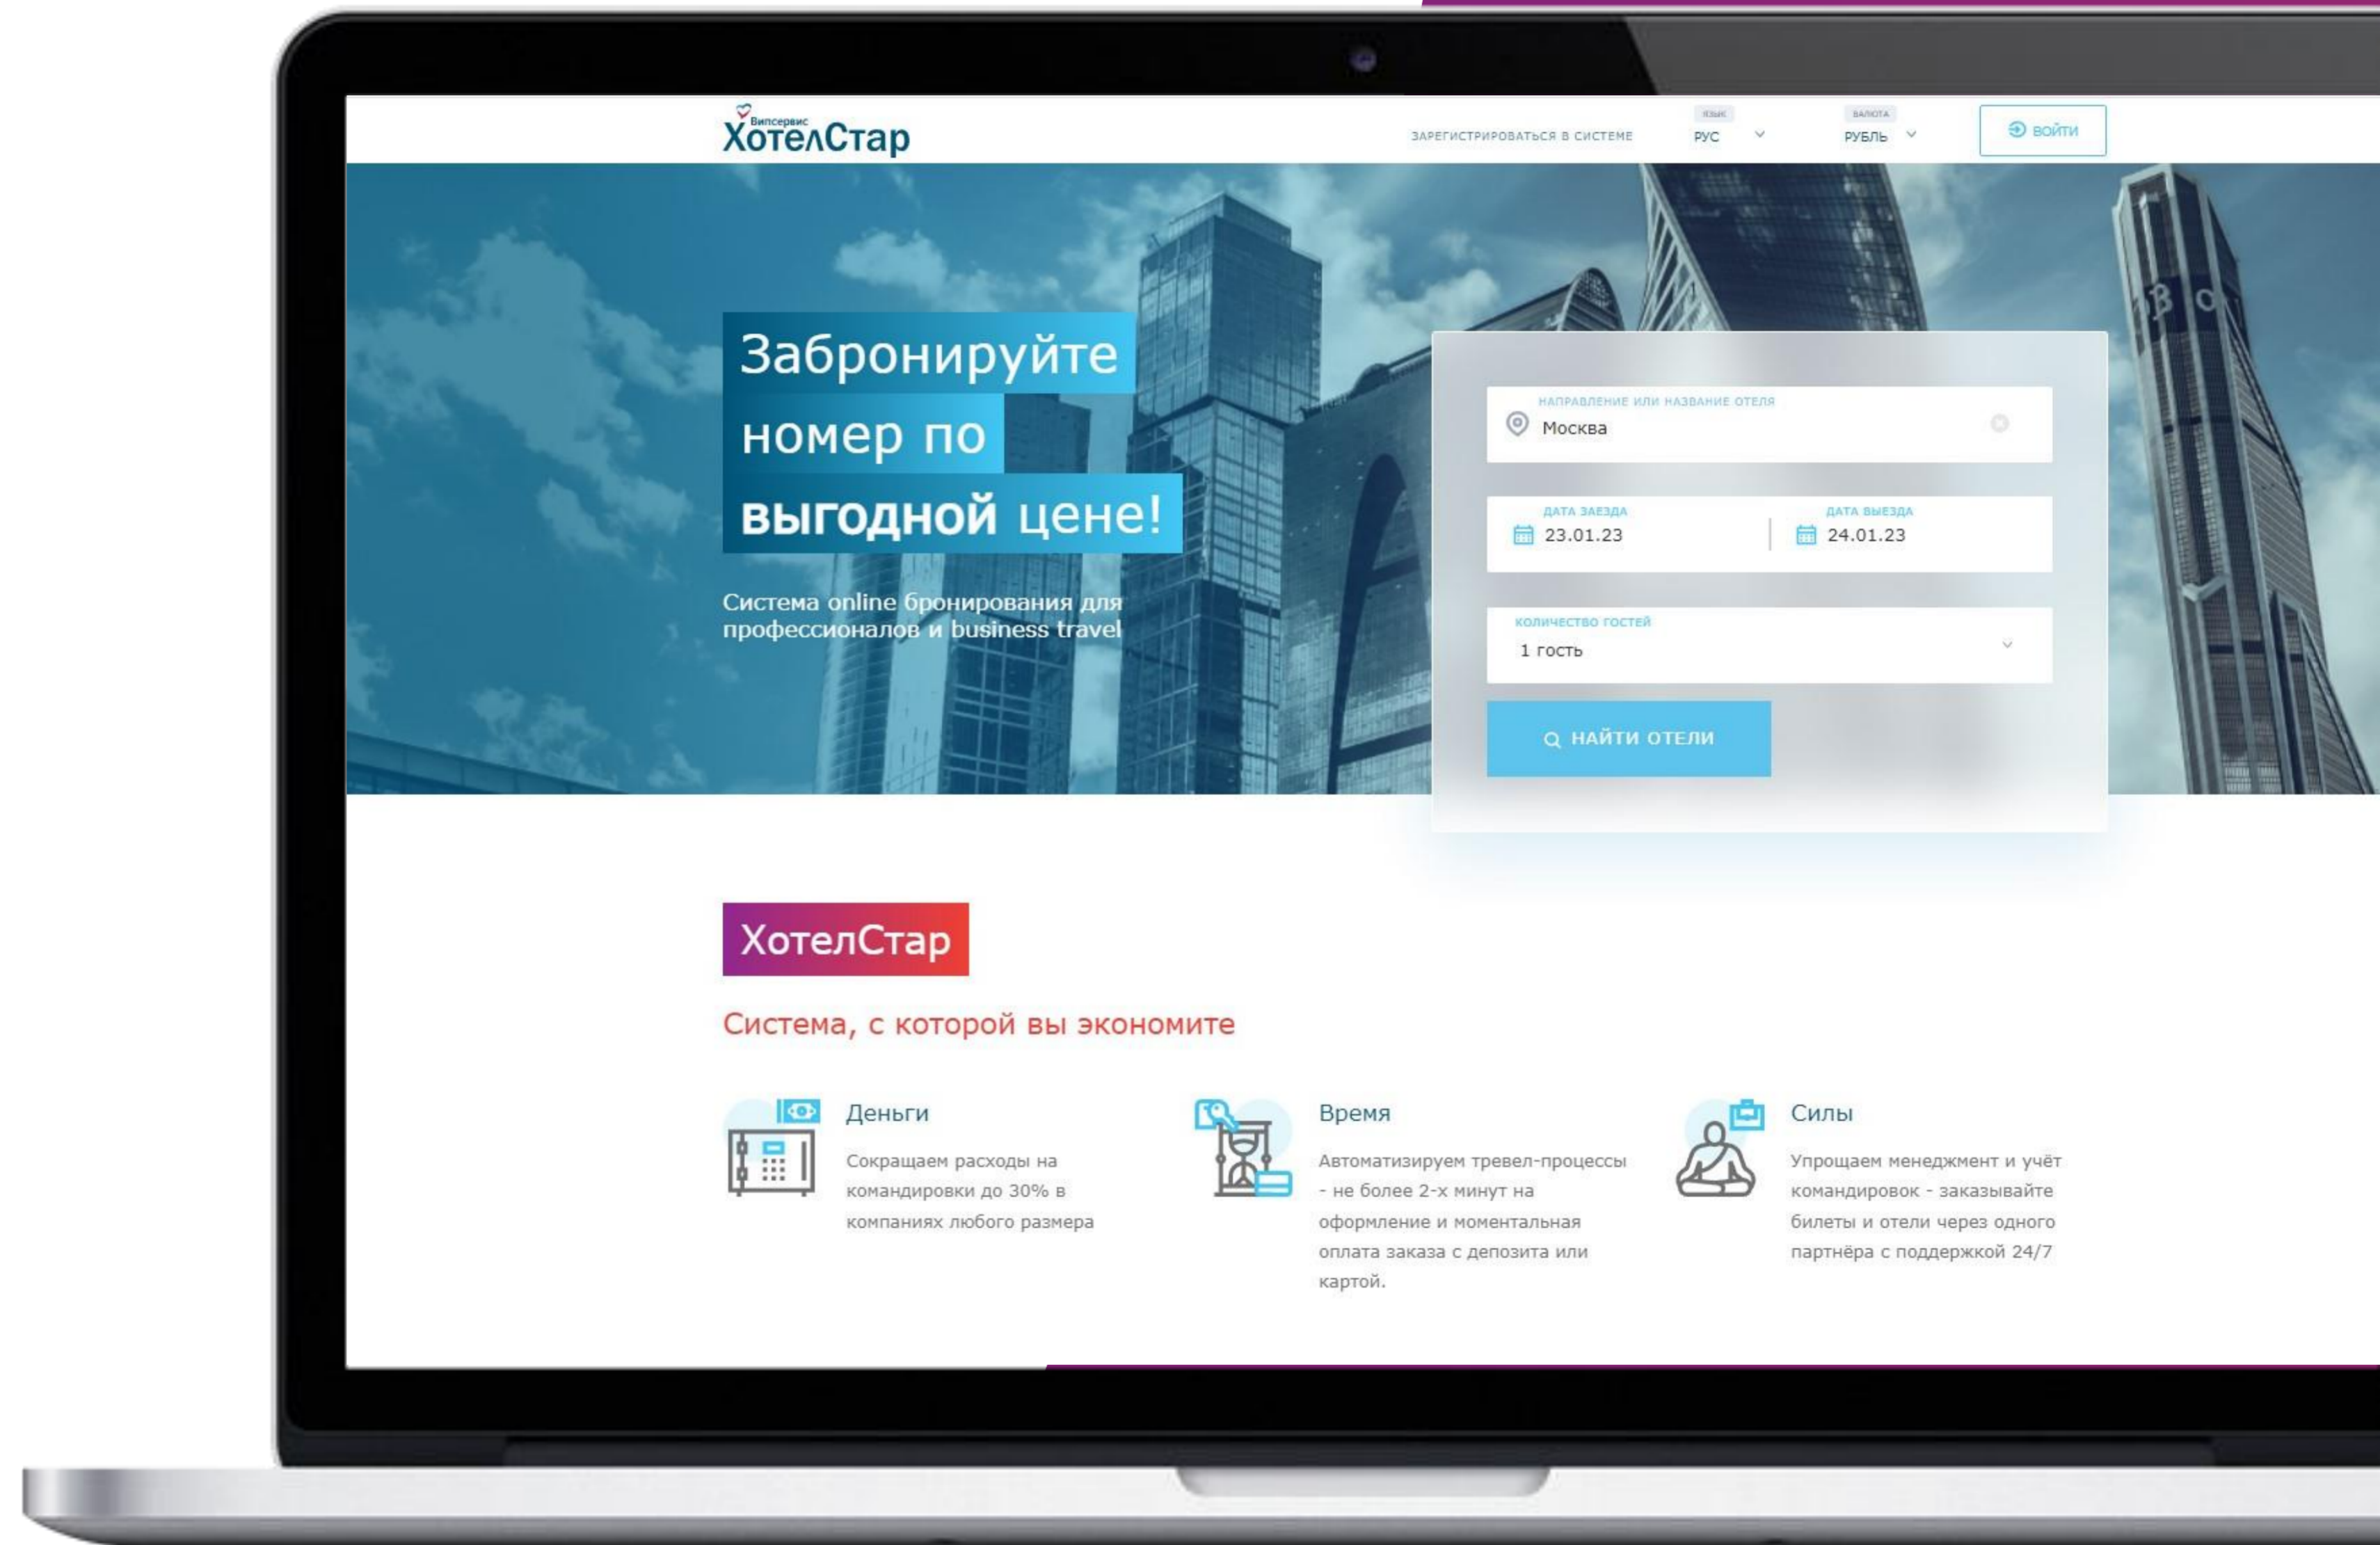

THE WORLD OF HOTEL CONTENT CAPABILITIES

 Vipservice
HotelStar

What is HotelStar?

An online business platform which aggregates the hotel data from different sources around the world, on which the corporate clients win!

We help our users receive the best hotel deals at low prices.

WE OPEN THE WORLD OF CAPABILITIES TO THE CUSTOMERS

350,000+ hotels

We are a global hotel consolidator, where there are hundreds of thousands of business hotels in a unified window

24/7 support

We guarantee the customers around the clock support and accompany each trip

No extra charge

We never charge the Customer Booking Commission and always show a transparent price

Sla and safety

We appreciate and follow the high standards of business service. All data are stored by the customer on the corporate servers

Group order

Book more easily hotels for the groups of 5 and more

Why HotelStar?

Beneficial prices for business hotels and connecting any traveler suppliers

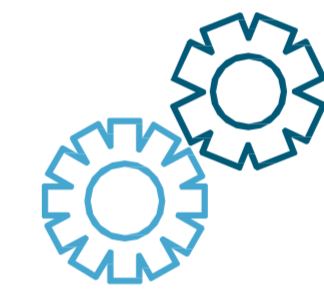

Own contracting since 2012 and direct contracts with 25,000+ hotels

Working with the objects of accommodation without intermediaries in Russia and the CIS

Partnerships with 15+ hotel chains:
Rezidor, Hilton,
Accor, Azimut,
InterContinental

Easy Integration with the Customer Corporate Systems:
1C, SAP, CRM
including Oracle Siebel

Our 24/7 customer support

How do we work?

We accompany each traveler before, during and after a trip.

Our support team speaks Russian, English, and French and helps solve the private booking issues such as accommodation with pets, early check-in / late check-out, providing add. services at a hotel.

They talk about us

**We book hotels with HotelStar.
Each of our employees just enters the corporate
portal and chooses the best price offer.
Integration took just 4 working days.**

Agency of French pharmaceutical company in
Russia and the CIS
